Danielle, I know that must tear you up inside. . I know you must be bitter because you are starting to realize what he has done and taken from you . Like he has done to so many others and will do to this girl Dusty. Mistakes are inevitable, what is important is that you finally realize it and your moving forward and in the right direction. My advice to you is to stay away from anything that involves him. Don't empower him in anyway. He feeds off of that. Getting back at him would be to totally dismiss and ignore him. In doing that it will kill him and help you get over him.

I love you

You took it completely wrong...i made the comment implying that he talks to himself. like hes crazy and talks to himself.

I would never make a comment about that.  
i swear.

to say the least...i am bitter...and forever pissed...taylor is now with dusty button...a girl he knew and was "friends" with before me met me. they spoke while we were together...i didnt care bc i assumed it was just friendsship..dunno if he had cheated bc she lives in london...but still not ok.  
hes visiting her for thanksgiving.....

Hey!!! I think there is something I need to address with you. You made a little comment last night when I was making conversation with you about dad talking to his friends on the phone like saying (sure he is talking to his friends) That really upsets me. I know your going thru a rough time and your negative about a lot of things but what happened between dad and I was upsetting and its taken both of us a long time to regain trust. We have been married for 22yrs. We were both going through a very very hard time when dad got side tracked. It was a betrail, but not an affair. At your age I don't think you can quite understand what we were both going thru at the time. He made a mistake. He took a friend to happy hour. He talked to her on the phone. I know coming from me you think...Yeah she doesnt know everything. Belive me I do. If you ever need to talk to dad about it you can. I feel the need to say this because I know you are talking a lot with Nicole and I am sure she is still going through a rough time with her parents. God help you if you think there ANYTHING like us. Nothing compares. I hope you are still keeping what happened to us to your self. It is an unusual situation. Believe all the time I kept trying to read things to help me, there was nothing. It was all about healing from an affair. Nothing about healing from a friendship that shouldnt have taken place. Anyway! I have

Omg !! What a loser!!!

If she is saying your a rip off of Taylor then he is a rip off of that guy who looks like him??  
 Who knows what they are talking about?? Ricky or Giana.....She is such an idiot . She shouldn't be a hater just cause she is jealous...and her comments on FB showed that.  
 Great that you stayed out of it. don't put yourself on there level.  
 That is awesome that Ricky said all of that. Don't worry!! Your FRIENDS will know the truth. The others don't exist!

Thank goodness Yvette is there to tell her something. She needs to get a grip!  
 Thanks for letting me know....One more word of advise!!! Stay off of FB for awhile. Its not worth getting upset over. Thats is why I don't get on it.. You are 20yrs old and don't need this shit. Especially when it has to do with Taylor and his followers!! that sounds retarded but true!  
 Let me know if you want to window shop to get away alittle today. I love you!!  
 See you tonight at Abuela's

so how about ricky posts up a link to my youtube on his facebook telling everyone to watch bc he loves it.  
 ppl are posting on it...im saying thanks for watching  
 then gianna posts up and says how i need to grow up and so does everyone else on there ....saying "your choreography" in quotations like i stole it or something.  
 it caused a huge scene...i know a lot of ppl saw. ricky responded to her the whole time telling her off. i stayed out of it though....  
 not cool.  
 ricky deleted it all off now.  
 yvette got inthe middle and txted gianna and told her to stop.  
 just letting you know.

omg...i feel like crying....

actually am. thank you so much. ive wanted to talk to you forever...lol even while we were dating.

i wont tell him...i dont really talk to hi anyways. we arent friends on fb to save us from being upset so i doubt he will notice anyways.lol

he always swore he never treated you or his other gfs like he did me.

please dont tell anyone...

but he was abusive.

verbally, emotionally, even physically.- worst i got from him was that he gave me a bloody lip from elbowing me.

we should def face chat...i dunno if i can handle it just right now..im a little upset. but def soon:)

6 PM

omg....he lied to me. he said the EXACT same thing...omg omg omg...i really beleived him.

you know exactly how i feel...its horrible...i feel so guilty..i wasnt raised to accept how he treated me.

problem is...i still love him alot. its sad. i wish i didnt:( i would do anything to be over him right now. he ruined my relationship with people sooo close to me. segregated me from them and made me dedicate all my time to him

The diagram consists of 26 horizontal black bars of varying lengths and positions, arranged vertically. The bars are organized into several groups, suggesting a structured sequence. The first group contains 5 bars, the second group contains 4 bars, the third group contains 3 bars, the fourth group contains 2 bars, and the fifth group contains 2 bars. The bars are arranged in a way that suggests a specific order, likely corresponding to the letters A through Z.
